Lloyd's Bank Chambers,

Middlesbrough, Nov 14th 1916.

Dear Mr Harwood,

On receipt of telegram today regarding the chain cable certificates advised in Mr Baker's letter of the 10th instant, I made all possible enquiries but cannot find any trace of their being wrongly enclosed elsewhere.

The Boy assures me that they were forwarded with Mr Baker's letter and I trust they have now turned up.

Will you kindly let us know tomorrow.

With kind regards,

Yours very sincerely,

*D M Meish*

F. D. Harwood, Esq.

London.
