ENCLOSURE.

24th August, 1915.

Dear Sirs,

I enclose herewith an amended first entry certificate  
S. for the hull of the motor vessel "ABELIA", which it is desired  
shall be exchanged for the first entry certificate first  
issued, which is not quite accurate.

The Owners state that the steamer is now at your  
port, and that they are sending instructions to the Master  
to hand the original over to you in exchange for the enclosed  
certificate, and I shall be glad if you will be guided  
accordingly.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

MIDDLESBROUGH.
