Lloyd's Register
The undersigned Surveyor to this Society did at the request of the Agents, The London Coal Co., Ltd., and with the consent of the Master, survey the boilers of the Greek S.S. "ANTONIO".

Port. GIBRALTAR.

17th. March. 1920.

THIS IS TO CERTIFY that

I, Engineer Captain I.J. Stephens. C.E.E., R.N.

the undersigned Surveyor to this Society did at the request of the Agents, The London Coal Co., Ltd., and with the consent of the Master, survey the boilers of the Greek S.S. "ANTONIO".

Defects. Tubes of Starboard Boiler bulged and leaking.

Recommend. Six tubes that are bulged should be plugged: a water test of 300 lbs. to be then applied, and any tubes discovered to be leaking should be plugged.

30 No. spare plugs to be supplied.

I. J. Stephens

Engineer Surveyor to Lloyds Register.
