

Alexandria 462

WRECK BOX
No. 2

Twin Screw Motor ship "Arabis" now on
Government Service.

The annual Survey on this vessel "Desire"
oil Engines became due in May last
& the Survey on the Starboard Screw shaft became
due in September 1916.

The Alexandria Surveyor now reports that
the No 3 Cylinder of port motor has been
hammered & the cracked piston renewed, the
Starboard crank shaft was found down & the
bottom bearings for same have been remounted
some other repairs have also been effected.
& the Surveyor recommends that these parts now
hammered might be counted as part annual
survey.

It is submitted that this
vessel WILL BE eligible
for the record.

+ LMC 8.17.

When the Survey has been carried out
with the exception of the Examination
of the No 3 Cylinder of the port engine
& the Crank shaft of the Starboard engine
