Dear Sirs,

"Jacobus" 1/2

*Extracted for  
S.A.H.*

This steamer is now at Sharpness, whence she will sail on Sunday next to Barry for bunkers, and thence to Povey (Cornwall) to load for the Baltic. She has this further Baltic round to complete before returning to U.K., where her special No.2 survey will be carried out.

We wish to secure the 1932 load line certificate before proceeding from this side and have today ventured to wire your Office at Bristol, requesting them to appoint a Surveyor to inspect the vessel at Sharpness tomorrow morning.

We trust this will meet with your approval and we will pay your account for the relative fee on presentation.

Yours faithfully,

OHLSON STEAMSHIP Co.
