Reference

Dear Sir,

I enclose for information a letter which I have now received from Mr. Chas. Kurz, Vice President of the Keystone Tankship Corporation expressing appreciation for the assistance given in the repair to the "MARKAY" and remarking on the vessel's safe arrival free from incident en route.

Mr. Finnigan and the Captain had promised that they would advise me regarding the behaviour of the vessel at sea and the absence of incident indicates that the temporary repair and ballast condition prescribed eminently answered the purpose.

This principal acknowledgement is very pleasing and the case will I hope not be without influence to further our interests in the U.S.A.

I am, Dear Sir,
Yours faithfully,
