16th June, 1944.

Dear Sir,

Tanker "MARKAY".

I revert to the temporary repairs recently completed at Swansea on the above ship, in the course of which extensive calculations were made by you bearing on the recommendations which were agreed upon.

Information has been received that the ship has arrived in the U.S.A., and the Owners' Superintendent has called at this office to express his deep appreciation of the services rendered by the Society in this most exceptional case.

The work carried out reflects most creditably on members of the Staff concerned, and I am desirous to convey to you an expression of the Committee's appreciation of the special services rendered on this occasion.

I am, Dear Sir,  
Yours faithfully,

Mr. A. Reid, B.Sc.,  
SWANSEA.
