Précis of particulars of Casualty

This vessel stranded on  
Point, near Port Mouton Island, N  
the 2nd May, 1947, during dense  
Her bottom was pierced

boiler room flooded and Nos. 3 and 4 holds &  
engine room tidal. All attempts at salvage  
were subsequently reported to have been  
abandoned.

In reply to the casualty notice the  
Owners state there is a fair chance of salvaging  
steamer, and they request that the Com.  
making a casualty record for the present.

Since the receipt of this letter  
reported that a salvage contract has been made  
and that salvage was to commence on the 4th June

26th June, 1947

As a result of an examination held  
the 14th June, all concerned agree that further  
operations are unwarranted and it is recommended  
that the steamer be considered a Constructive  
Loss, due to additional damage suffered  
weather from June 8th to 12th.

Vessel shows signs of buckling  
have been lifted fifteen inches.

The Owners concur.
