Dear Sir,

It will be noted that the Machinery Report on the new engines of the steamer "BRIGHTSIDE" is a duplicate copy obtained from the Bristol office.

I regret to say that the original First Entry Report (Bristol No.12363) on this machinery forwarded to this office on the 4th of June last has disappeared, although careful search has been made for same.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LIVERPOOL.
