Sir

Blackburn

In explanation, the
Sketch in my Report of the
Blackburn is intended to represent
the Housside of the Stern post
(between decks) with the vertical
knees on each side of it and
extending across the ceiling towards
each Quarter being in a line
parallel to the Wing Transom
of a square sterned vessel.

I am sorry that the Report is not
sufficiently clear and hope the
above explanation will be

Lloyd's Register

WH/1034-0171

considered Satisfactory
I am Sir

Yours most respectfully

Thos. W. Hutton
